**RE: Notice of account closing - # 140221603058 /MXP/Account # XXXXX1362**

Dear Client:

As you requested, we would close your accounts effective on 04/16/14 under the terms of the *Client Manual - Consumer Account or the Citibusiness Client Manual for Commercial Accounts*. As a result, the account referenced above is now closed.

Please be aware of several important points:

- You had a balance in your account when it was closed; an official check for that amount is enclosed with this letter.
- Any outstanding checks presented for payment against the account will be returned unpaid to the payee.
- If you had direct deposits or other electronic transactions established for your account, they will be returned to the originating bank.

If you require further assistance, please visit your branch or contact Customer Service at 1-877-888-7016.
